

# Denis Arsenault

MANAGER, CENTRE FOR POLICY, PEDIATRICS AND  
INTERNATIONAL COLLABORATION, HEALTH CANADA

Denis Arsenault has been a manager in the Centre for Policy, Pediatrics and International Collaboration within Health Canada's Biologic and Radiopharmaceutical Drugs Directorate (BRDD) since 2018.

In this capacity, Mr. Arsenault leads policy and regulatory development initiatives for BRDD related to regulatory modernization and biosimilar biologic drugs.

Mr. Arsenault has worked in various capacities on various files, most notably in the area of controlled substances, since joining Health Canada in 2006.
