
September 2026

Dear Students:

On behalf of the Board of Directors and the Student Relations Committee, I am pleased to advise you that CAPRA is offering, once again, a reduced rate to students for our Dinner Meetings, Symposia, and annual Education Day events.

CAPRA events are produced entirely by volunteers, as such, costs for members to attend our events are much lower than for comparable events produced by other organizations. In addition, there is a substantial reduction in event registration fees for Student Members, from those paid by non-student CAPRA members (rates are announced for each event).

A Student Member is defined as an individual who is currently **a full-time student, not working in industry, or sponsored by an employer.**

- When joining CAPRA: evidence of enrollment in a full-time related program (i.e. regulatory affairs, healthcare, science programs, etc.) must be provided to obtain a Student Membership;
- When registering for an event: the name of the college or university should be indicated in the space provided for the company name

Please be advised that this policy will be reviewed periodically and updated when adjustments are needed.

We trust that this fee reduction will make the CAPRA events more accessible to you.

If you should have any questions, please do not hesitate to contact us.

Thank you for your interest in CAPRA.

Sincerely,

Student Relations Committee Board Lead
